Praise God, Jesus is coming. Hallelujah. This has been a different kind of service tonight. But it is just exactly what the Lord wanted. I knew by the Spirit. I hadn't talked to Billye. Saw her back there, but I knew in my spirit exactly what she was going to talk about. That is exactly what the Spirit of God wanted in this service tonight. Oh, don't miss what He is saying.

Every head bowed and every eye closed and listen with your ears. You see, if you are looking around your attention is divided. You don't always hear. You know as well as I know, in the Acts of the apostles in the fifth chapter of the Acts of the Apostles. The first great move of God in this new testament age in this new covenant age -- great out-pouring of the Holy Ghost there were two people, you remember, by the name of Ananias and Sapphira. They were right in the middle of the greatest move of God that had ever come to this earth and they missed it. And they missed it. And they missed it. Oh, my my. There will be people right in the midst of what God's doing and saying and miss what He is saying because their minds are already cluttered up with other things. Learn to listen to your spirit. Jesus is coming. Thank you Lord Jesus. Thank you Lord Jesus. The Holy Ghost is speaking. He speaks through man. Hallelujah. Hallelujah.

Many things have been said, many things have been written, religious ideas are cropping up every where. Religious demons are controlling and getting ahold of people. But stay with the word and demons will flee away. But Jesus is coming. He said that He is coming. The holy apostles and prophets upon which are the foundation of the church today which we are building on said He is coming. The angels from heaven said He is coming. The witness of the Spirit in your own heart said He is coming. Get ready. Every great move of God at the turn of the century, great out-pouring of the Holy Ghost, all of those folks who came through to the baptism of the Holy Ghost, speaking in other tongues, their message was Jesus is coming soon. Jesus is coming soon. Oh, say well yea but that was 80 years ago. But we just got through reading, don't be ignorant concerning His promises. One day with the Lord is a thousand years and a thousand years is as one day. Well, 80 years wouldn't be hardly as long as it would take you to snap your finger then. We are

still at that time. He is still coming soon. Oh, my. Oh, my. My my my. My my my. And what He said about the end times shall come to pass and what He said concerning ministries shall come to pass and what He said to some people who set here who are in this place shall come to pass and these things are very significant. And it is very, very, very, very, very, very significant that the only land owned in Jerusalem, Isreal is a place where John the Baptist was born. It has particular significance for these last days. Ha. Ha, ha, ha saith the Lord of Host. Prepare ye. Get ye ready, the time is short. The ministry shall be fulfilled. The hand of the Lord is upon you. The glory of the Lord shall be seen by many. Yea, his work shall prosper and thrive in this day and there shall be an ingathering of souls for the harvest. The harvest shall be reaped for the husbandman waiteth for the precious fruit of the earth and the fruit of the earth is coming forth from every nation even from behind the Iron Curtain even behind the Bamboo Curtain and so it is coming. The harvest is coming. And it shall go forth, this cry shall go forth. Behold the Bridegroom cometh. Go ye out to meet Him. And this is the day and this is the hour and this is the time and this generation shall not pass away until these things be fulfilled. That is what the Spirit of God is saying in this hour. He that hath an ear to hear let him hear what the Spirit is sayng. Hallelujah. Hallelujah.

Hear ye the word of the Lord. Hear ye the word of the Lord. Incline thine ear unto what He is saying. What the Spirit is saying and he that hath ears to hear let him hear. For there are many voices in the world and there is much confusion and satan would endeavor to inject his voice and the many voices in the world into the minds of men and confuse their minds and keep their spirits in bondage. But yea, saith the Lord of Host, let your mind be stayed on me. And let your mind be stayed on my word and follow not false prophets and follow not false apostles. For these have arisen in times pass and they arise again in your day. But hear ye the simple word of the Lord. And respond unto the witness of the Spirit in your own heart. For the work of God shall be accomplished and the enemy shall not be able to stop it. Yea, he shall not gainsay the work of God and that which has been ordained by the Lord shall surely come to pass. Rejoice and be exceedingly glad for the time is at hand. And ye shall stand in the place ordained for thee from the foundation of the earth and yea the church shall stand in the place ordained for her and Isreal shall stand in the place ordained for her and surely the word of God shall come to pass and the work of God shall be accomplished. Thank you Father. My my my ho ho yes yes. We wait a few moments in His Presence

And if you'll learn to listen to the Spirit, for the Holy Spirit dwells in the heart, in the spirit of every born-again one, and even in the lives of those He will direct you by that inward witness and inward voice and then filled with His fullness, He, the Holy Spirit, will become more real to you. Learn His voice. Learn to listen to Him. Do not substitute emotions. Do not substitute human desires. Do not substitute soulish activity. But rather, get your mind renewed with His Word and your reasonable spiritual worship present your body to Him and keeping the body under, for you see that which feeds your body will starve your spirit, but what will feed your spirit will starve your body. And keep that body under. Let not your flesh dominate you. And so it shall be that the Holy Spirit residing in thee will manifest Himself unto thee, will manifest Himself through thee, and you'll be able to speak with inspiration, and you'll be able to speak with revelation, and you'll be able to speak as of the oracles of God, and your tongue will be as it is the psalmist of old declared, "Make my tongue as the pen of a ready writer", and your mind shall be illumined by the Spirit, the Holy Spirit, and your spirit shall be enlightened. For remember this, that the spirit of man, it is written, is the candle of the Lord and He'll light your candle, so you'll not walk in darkness, and you'll not have to ask the question, "Is this the right way?", and "Is this the thing to do?", and you'll not have to ask someone else, for someone else doesn't know, they do not know, oh you say, "Yeh, but I told them", no they do not know as they should know, but the Holy Ghost knows as He should know. We know not for what to pray even as it is written as we ought to know, but the Holy Ghost knows and He'll help you pray that situation out and pray that situation through and you'll not need the counseling of fellow men, and you'll not need the counseling of your brother or your sister, but you'll learn to follow the Guide, for He, the Holy Spirit, will guide you and you'll be able to say, "this is the way, I'll walk in it", and the blessings of the Lord will rest upon you and the Name of Jesus

will be glorified and the work of God shall go forward and the Church of the Lord Jesus Christ will be edified. And you'll find that the blessings of God will flow into you and flow through you and flow out of you like a mighty river. So rejoice and be glad, for the Lord is at work and these are the last days and this is the end time and there will arise a company, and there will arise an army of the Lord that will go forth to win and not be defeated, that will go forth to conquer and not be conquered, that will go forth in His mighty Name, equipped by His mighty power, and filled with His mighty Spirit, using and exercising the gifts of the Spirit. And so the work of God shall be enhanced, rejoice and be glad for the Lord is at work.
