Prophecy given by Rev. Kenneth E. Hagin on Wednesday, Feb 24, 1999 at Winter Bible Seminar

It has come to pass. It is coming to pass and it shall come to pass. It shall come to pass at last and there shall be much cause for rejoicing; ha, ha, ha, ha and laughter in the Spirit for the Lord Himself shall manifest Himself through the Spirit in the lives and ministry of His people and in His body which is the church and there will be a great manifestation; beyond that which you have seen. You will stand in awe and be expressly glad and joyous for the Lord is at work. Praise Him. Worship Him. Honor Him and His glory shall be made manifest unto thee and His glory shall be made manifest through thee and great, great, great shall be the results thereof. Thank you Lord Jesus. Thank you Lord Jesus. That's what the Holy Ghost is saying. Praise God forevermore. Praise God forevermore. Praise God forevermore. Hallelujah. Hallelujah. Hallelujah. Hallelujah. Hallelujah. Thank you Lord Jesus. Glory to God. Glory to God. Glory to God. Ha, ha, ha. Praise God. Praise God. I heard the Spirit say, "It's not time to give up. It's not time to turn back, but it's time to move forward. For you're about to move into the greatest move of glory that you've ever known or seen. So take steps with Me, saith the Lord and know that I am leading and guiding and directing and enter in. Enter in. Do not stand back as some do and wonder and some, 'Could this be true, could this be so?' No, be pliable. Be yielded unto the Holy Spirit and He will guide thee and He will speak to you. Ha, ha, ha. And in the night time, you'll hear a voice speak unto you at times; telling you exactly what to do and great shall be the rewards thereof. Moving, moving, moving up. Moving, moving forward. Moving, moving on. Moving, moving into the... (tongues) (emotionally) Moving, moving into a dimension of the Spirit that you've not been in before and you'll be overwhelmed; overwhelmed with holy awe. Filled with tears of joy." (great emotion) Oh, Oh, Oh my, Oh my. my, my, my. My, my, my, my. Shall we? Shall we Lord? Shall we enter in. To that holy place. Oh, to that place, where the supernatural is commonplace. Where the supernatural is in everyday manifestation. Oh my, my, my, my. It is awesome. It is awesome. It is awesome. It is awesome. Ah, open their eyes. Open the eyes of Your people that they may see. Like the prophet of old said to his servants when the city was surrounded and they were in battle and surrounded. Open his eyes. And when his eyes were open, he saw chariots of fire and horseman of fire all around about the city. And the prophet said, "more are those that are with us than those that are with the enemy," and there was deliverance. Open the eyes, oh God, of this congregation; of these ministers; of these pastors; that they may see. I know they couldn't stand it. They couldn't stand it. They couldn't stand to see all of it. But a glimpse. A glimpse. They can stand a glimpse. A glimpse of your glory. A glimpse of that realm. Yeah. Yeah. And now, and now we leave the room. I remember that you said to Elijah. Go anoint Elisha to be prophet in your room. We leave the room in which we have been ministering. And now we step into that room. Oh my. Oh my. Oh my. Oh my. Oh yeah. Yeah. I saw it. I saw it years ago. I saw it. I didn't know what it meant. But I'm stepping into that room. That's the final room of service of my ministry and life. I step into that room. (laughter) Ha, ha, ha, ha, ha. But it's not over tomorrow. It's not over next week. It's not over next year. It's not over the following year. But it extends out. And I heard the Lord say, "I'm putting an extension onto the room." (Laughter) (tongues) My, my, my, my. Somebody come help me. (The power of God is so strong on Rev. Hagin that he holds onto the podium so that he doesn't fall. He is then helped into a chair) (tongues and laughter) If you can Lord, show them. Open their eyes. No, they're trying to see it with the physical eyes. Shut your physical eyes and look with the eyes of your spirit and see into that realm and see the glory and see the cloud of God arising on the horizon; bringing blessing, bringing power and spreading all across the land. (laughter and tongues) An explosion. An explosion. (tongues) In a measure it's already happening, but it will happen in a greater measure. Glory to God. Glory to God. Glory to God. Glory to God. Basking in His light. Basking in the sunlight of His love. Basking in the sunlight of His glory. Energized by His Spirit. Quickened by His power. Made whole. And so your healing and your health shall spring forth speedily and your youth shall be renewed like the eagles, and the glory of God will rest upon you and the glory of God will be seen upon you. Great joy there shall be in the camp. Hallelujah. Hallelujah. Hallelujah. Don't look back. Don't turn back. Walk on. Walk on. Walk on. Walk on; in His presence, in His glory, and in His power, and walk out into another

world. (laughter) Oh my, my, my, my, my, my, my, my. Just how much? Lord, that presents a problem. Just how much do I tell? No, No. Yeah. Yeah. Yeah. No, don't tell them. Don't tell them. Wait and let them see for themselves and then they'll go tell it. All right, all right, all right, all right. (tongues) You think you've received much from the Lord. And a little have you received but there's more. There's more. There's more. There's more. Reach out to Him. Move up into the "more." Move out, and thou shall see and the glory shall be revealed unto thee. Hallelujah. Thank you. Thank you Lord. Well, praise God, that's it. That's it. (laughter) Hallelujah. Thank you, thank you, thank you, thank you. Never the same again. Never the same again after tonight. Never the same again after tonight. Never the same again after tonight. I'll never be the same again after tonight. (tongues) That which has hindered you. That which has hindered you. That which has hindered you has dissipated and disappeared. (laughter) No longer hindered. Glory! Glory. Glory. Glory. No longer hindered. No longer hindered. Free, free. Glory to God. Glory to God. Hallelujah. Hallelujah. Hallelujah. Glory to God.

Rev. Keith Moore then led the congregation in singing "The Son has set me free. I am free indeed."

Say it outloud. According to your faith. Now put it this way. "According to my faith it's done unto me. According to my faith I receive."

TONGUES/INTERPRETATION:

It's like a little child's faith.

The mother, the daddy says unto that child, "I'll get that toy for you at pay day."

And pay day comes the child expects it.

And believes it in simple faith.

So simply take the Word for what it said.

And it'll come to pass in your own life. Ha, ha, ha.

And you will rejoice and laugh and be glad!

And every symptom'll disappear.

And every problem will be solved.

And the glory of God will shine.

And the power of God'll be made manifest.

=====
That's what the Holy Ghost is saying.

The biggest thing there is, not anything any bigger than the new birth! A lady, minister friend of my wife's and I, a number of years ago an older lady she's in her 70, gone since then to be with the Lord.

But her husband was driving and she tried to put the brakes on and there's no brakes on her side. you know. And in this accident it drove on leg back up in the pelvic, and one of her legs is about, oh 3/4 inches shorter than the other one.

And at her age the doctor said, "It'll always that way." Well she got a built up shoe and one thing and another. And so she's in a healing meeting and right in the middle of the healing line the evangelist

stopped and said, "There's a lady minister here that's got one leg shorter than the other one. If you'll come down here God will heal you."

Well she said, "I thought, Well maybe somebody else." So she waited and nobody moved. And he says, "In fact this lady minister said, 'If I had faith I know I could be healed. But I just don't have that kind of faith!'" And she'd said that.

But he said, "You've already believed for the biggest thing." Nobody came. So he checked it out. He said, "Is there a lady minister here?" She lifted her hand. He said, "Do you got one leg shorter than the other?"

Yeah!

"Did you say -- she's back in the crowd, see, he's down here. Did you say if I had faith I could be healed? But I don't have that kind of faith."

"Yeah," she said, "I said it."

He said, "You must be the one then. You fit the bill."

Amen.

And she told us personally, we saw her before, we saw her afterwards. Saw her healed.

She said, "I went down there and that leg just grew right out." Glory to God.

He said, "You've already believed for the biggest thing. Now believe for this."

Say it outloud, "All things, all things." Brother Keith come on.

All things are possible to whom?

Now potentially all things are possible to all! But you gotta believe all things are possible Glory, glory [repeated over and over]. Thanks be unto God.

TONGUES/INTERPRETATION:

We're moving up.

We're moving on.

Up and on from glory to glory.

Yea, the Presence and the power of God has been made known.

And shall be manifest in a greater measure than what you have seen heretofore.

Be glad and rejoice.

Believe ye and ye shall see.

Many wanta see and then they're going to believe.

But believe ye and ye shall see.

For the supernatural shall come into manifestation in the natural!

And the glory of God shall be seen.

And the Presence of God shall be felt.

And the power of God shall be in manifestation.

And the plan! The Plan! The Plan!

The plan of God shall be consummated. [praise God, Amen]

Some way or other for the last number of months and particularly in the last month, since the turn of the year. In praying in the Spirit, I talked about praying two and a half hours about, in other tongues and saw what we're doing here.

And -- but I -- sometimes in prayer you'll speak --

sometimes He'll give you the interpretation of what you said in prayer if it's necessary.

But you'll just speak out a few words. And I found myself again and again, even since I've been here, in praying in the Spirit, words come out of mouth,

"The plan, the plan, the plan evidently that's what I'm praying about.

Well there's a certain ministry about it. He that speaks in unknown tongues speaketh not unto men but unto God. For no man understandeth him. Howbeit in the Spirit he speaketh mysteries.

It's sure a mystery to me! But I keep praying about The Plan! So you help me pray about it. The plan. The plan. Hallelujah.

Well He just said something about the plan. It shall be consummated. That means it'll come to pass. It'll be manifested. Ha, ha.

Again, Again I heard the Spirit say, just then I heard Him say just then.

The plan, it'll be made known!

You'll see plainly.

You'll know surely.

And whoo, whoo, whoo whoo!

Don't say that. Okay I won't. ha, ha. tongues...

Come and see. Hallelujah.

Sing! Thank You Lord.

DIRECTIONS:
PRAYING:

Heavenly Father, thank You. Thou art my very own Father. I have been born again. I am a child of God. Thank You Father, for Your goodness. Thank You for Your mercy. Thank You for Your Holy written Word. Thank You for the illustrations, and the examples of prayer in Your Word. And the Early Church prayed, "Grant that thy servants with all boldness may speak Thy Word by stretching forth Thine hand to heal. That signs and wonders will be wrought. In the Name of the Lord Jesus Christ.

Thank You Father for all of the gifts of the Spirit. Manifestations of the Holy Ghost. But we pray especially, we seem to be led by the Spirit to pray especially that special faith, that working of miracles, that gifts of healings will be in manifestation in a greater measure than what we have seen heretofore. We thank You because You hear us. We pray with our understanding as best we know. Now we trust the Holy Spirit Who lives within

us to give us utterance. Anything else that needs to be prayed in this direction or in this area or anything else that needs to be said.

Or in any other area. We trust You to give us utterance. As Paul said, "I will pray with the Spirit. I will pray with the understanding." We have prayed with the understanding. Now we pray with our spirit.

TONGUES:

In the Name of Jesus it shall come to pass. Yes, in the Name of Jesus it shall come to pass at last. The plan, the plan, the plan, the plan, praise God, [tongues] light, light, light will shine. Light will shine, ye shall know -- the spirit of seeing and the spirit of knowing into greater manifestation shall come. And that which has been manifested will be manifested.

And then more, more, more moving on up until there's a multiplicity of these things. And the hearts of men shall be turned toward the Lord. And the spirit of man shall be made fat, and the soul of man shall rejoice. And the body of man shall respond.

And healing, healing, healing, healing yes healing [tongues] your healing shall spring forth suddenly. And the glory of the Lord'll be seen upon you and you'll be glad! Your heart shall rejoice. Glory to God.

Not only will you be blessed but you'll be a blessing to others! And a blessing to your family. And a blessing to all those around about you. For the glory of the Lord shall be made manifest in these days. [tongues]

Just trust Me, saith the Lord.

Just trust Me.

Have peace for we which have believed do enter into rest.

And so ye shall SEE.

And ye shall KNOW.

And you shall be glad.

And ye shall be enabled to minister unto others in a measure that you have not been able to minister to before. Ha, ha, ha.

An increase.

An increase.

Increase of anointing.

Increase of power.

Increase of those turning to the Lord.

Increase of those being healed. [tongues]

No, no, no, no, no.

Take no credit unto yourself.

Do not endeavor to make it to come to pass.

But just let it come to pass.

And it shall come to pass. Ha, ha, ha.

And your mouth will be filled with singing. Ha, ha.

Yea, yea, yea! [tongues]

The plan, the plan, it shall be consummated.

The plan, the plan it shall be made clear.

It shall be made plain.

And ye shall be enabled to say, "I'm walking in, I'm living, I am ministering

According to the plan."

=====
ha, ha, ha.

Yeah, tongues...[laughs] tongues

Endeavoring to understand with the natural mind the things of the Spirit is impossible.

For as high above man's thinking so high are God's thinking -- God's Word and the Spirit.

And so you'll never be able to figure it out in your mind.

Keep your mind quiet and let your spirit be stayed on Him.

And He'll speak to your spirit.

And He'll manifest Himself unto you.

And you'll say, "I have the Word from the Lord" and be glad.

Hallelujah tongues [ministering to some in congregation]

Which way shall I go?

What shall I do?

Is it time for me to do this?

Or is it time for me to make that turn?

No, just be still and know.

Be still and know.

And if you don't know and you're not sure don't move.

Just stay in your place. Ha, ha, ha.

Yeah, [tongues] ha, ha, yeah [tongues]

Stay in your place and be faithful and eventually it'll come.

And you'll see and you'll KNOW! [glory to God]

For unto thee will I show. [tongues]

It's alright, it's alright, it's alright! It's ALRIGHT! [tongues] ha, ha,

ha. [tongues]

Yeah, yeah, yeah, yeah, yeah.

You'll be blessed.

You'll be blessed.

Because the hand of the Lord is upon you for good and not evil.

REJOICE! And be glad. [tongues]

Good things are in store.

Good things are in the making.

Be still and be faithful and know. [tongues]

You're in the right place. [tongues]

Yeah, His blessings upon thee. [tongues]

What about the future?

Where shall I go?

What shall I do?

Just wait and see, it'll be clear, it'll be plain and all the blessings of God you shall know. [tongues] ha, ha, [laughs]

Yeah, yeah, full of wonderment trying to figure it out in your head.

It'll never work!

Get your mind quiet. Get your spirit stayed on Him. [tongues]

And you'll come to see and you'll come to know.

And right now stay where you are. [tongues]

Now what I said in tongues the Holy Ghost said:

Some are saying, I wish he'd minister to me.

I would if I had it.

But I don't have it. ha, ha. [tongues]

Yeah, you'll be alright. The devil's a liar. [laughs] [tongues]
Praise God!
Yeah, yeah, yeah, ha, ha, It's alright.
Yeah, it's ALRIGHT! Thank Him and be glad. [tongues] [laughs]

The best is yet to come. Thank You Lord.
Let's go before we get started. We can't come back if we don't go.
Glory to God it's good, it's good, it's good. Praise God. Amen. Aren't you glad?

Seems like the Holy Ghost is saying, "There's one hurdle yet you've gotta make." But you'll do it. And you'll come out on top. And everything'll be alright.
[tongues] Hallelujah

glory, glory, glory, glory
Many, many, many, many, many [repeats many times]
Well before you go say, "It's good but it's going to get better."
Say it again.
Now if you don't believe it keep coming.

Somebody said, "What are we going to do next week?" I don't know I don't have an inkling. All I know is the Lord said do it.

I'll tell you what He said. I asked Him the same thing you did, What are we going to do?

He said, "Trust Me! Just trust Me." He wants us to walk by faith. He's a faith God. Without faith it's impossible to please Him. So that pleases Him. Don't you wanta please Him? That pleases Him when you walk by faith. So we'll just walk into it by faith. Ha, ha. See what happens. And be glad and rejoice.

Isn't it good to be here? Don't you feel or sense His Presence? Isn't it real? Isn't it good? Whoo! Just soak it up! Take it with you. [laughing] [tongues]

It's good. It's good.

I'm like Smith Wigglesworth, I'd rather have the Spirit of God on me for ten minutes than own the world with a fence around it. ha, ha. Hallelujah.

You don't wanta go do you. Pshew, ha, ha. Well we better. I'm as reluctant as you are

THEME: "EXHORTATION" [Darrel Copes, Philip Slaughter; Leigh Ann Merrell singing in the Spirit; Patsy Harrison tongues/interpretation; Rev. Hagin Word from the Lord]

TEXTS:

REV. HAGIN:

Brother David Ingles coming to minister to us.

DAVID INGLES:

Praise the Lord for the anointing. Thank God for Brother Hagin, and I'm glad that I -- I was a radio D.J. when I first heard his programs. I used to put his programs on the air in Tulsa. I think we were the -- that was the 2nd station that he was on. He was on KSKY, I believe in Dallas, and then he went on KFMJ in Tulsa. So I was the morning D.J. And I began to hear the Word of Faith, and I saw some great light come to me and I'm very glad. It changed my whole family. And the curse was lifted off of my family because I heard this message.

I thank God for the message that Brother Hagin brings and has brought over the years about the Wonderful Name of Jesus; how He got His Name. Three ways, one He got His Name by inheritance. Two, He got His Name by -- it's a bestowal, the Name was bestowed upon Him. And thirdly, Jesus battled for that Name for you and me in the pit of hell.

The Word of God says, "And having spoiled principalities and powers He made a shew of them openly, triumphing over them in it! "

That's why on the lips of a believer, from the heart of a believer there's power in that Name.

SINGING:

REV. HAGIN:

KEITH MOORE:

You know faith believes it's received. Faith calls those things which be not as though they were. According to the work of Christ, we are free right now. He HATH delivered us. When are you going to get free? How would you know when you got free? If you're waiting on until the symptoms change, you're walking by sight. But how many believe you have received and in SPITE of what you might see or feel you are free now!

SINGING:

REV. HAGIN:

OFFERTORY:

RS&B: [praising the Lord]

DARRELL COPES: [Exhorting]

The Bible said, "to Rejoice" and on the way here with the group we was just praying and I was on the bus and I was just praying, and we was all praying in the Spirit. And the Lord just reminded me of Elijah, how he confronted the prophets of Baal. And he said, "If God is God serve my God.

But if your god is god serve him."

And the Lord -- and as the Lord was reminding me of that story. He reminded me of how Elijah began to call on the God, our God. And the Bible said "That God answered by fire!" And the fire fell. Well thank God for the New Testament how the fire -- Old Testament it fell on that water and it consumed the sacrifice on the altar. But thank God for the New Testament today. And the Holy Ghost -- Jesus said, "I will baptize you with the Holy Ghost and with fire." And the Holy Ghost is falling today.

And the Lord, He spoke to me and He said, "That I'm still the same God that fell in the Old Testament and I'm still the same God that will fall today."

And so I just started praising God. And I said, "Thank You Jesus." And I started getting my scripture and I wanted to read. And I was reading those scriptures. And then I started reading in Hebrews 13:8 how Jesus said, "I'm the same yesterday today, and for evermore."

And the Lord was showing me about the fire. How the fire is going to fall tonight. [shouting, praising] So get ready for what God has for you. Get ready for what God is going to do. We're going to do great and mighty things tonight.

Well let me just add something to that. We just got finished the Ministry Conference. And Brother Hagin, spoke about King David, how he went to the tribe of Judah and he said, "Why are you sitting here when you ought to be bringing back the King?"

And the tribe of Judah, they were the people of praise, hallelujah. The Bible says in 2 Sam. 19th chapter, they was all in strife, what are we going to do? King Absalom is dead who we had anointed king over us. But David went to them and he said, "Don't sit here but begin to bring back the King."

And in the last days God has a remedy. He has a group of people, the people of praise. Hallelujah, and we are the people today. And God wants us to praise Him. [praising the Lord]. We're the people of praise today and we're going to bring back the King. It doesn't come by sitting. Believe me, you gotta step out and praise the Lord.

You gotta do something you never done before. You gotta move out of your seats. We've got too comfortable. It's time to step out! It's time to run.

Can I be real with you? Can I be honest with you? God, He said, "Come clean." The Holy Ghost is right here. God has things in store for us. But as we begin to praise Him and begin to worship Him, as the Spirit of flowing.

There's different streams and it seems like a stream tonight is that God wants us to dance. You know, we can praise Him with the dance. We can praise Him in psalms, and hymns and spiritual songs.

But there's a dance in the Spirit. There's a dance in the Holy Ghost that you can't get free no other way. [Dancing]

RS&B:

PHILIP SLAUGHTER:

Exhorting reading from 2 Chro. 20 singing and praising the Lord, "For the Lord is good. His mercy endureth forever -- then reading Acts 16:25].

LEIGH ANN MERRELL:

[singing in the Spirit] So you might ask, "What did you just say?"

I'd have to say right out of my spirit man, came utterance tonight, this day, ha, ha utterance to speak about doors opening. Ha, ha. [TONGUES] Doors opening [TONGUES] Doors, doors of utterance open in Jesus' Name. And some of us are going to have to take a stand and tell the enemy he's got to flee. We're going to have to take a stand and shout the victory. Oh shout it I got the victory. I've got the victory.

PATSY HARRISON: [TONGUES/INTERPRETATION]

And so there have been many praying.

And there are many still praying for the prophet to begin to move. Ha.

And it's coming in strength and anointing and power from each one of you.

Ha, ha. [tongues]

So release yourself unto the anointing, and the power. Ha, ha.

Because it's on you. ha, ha, ha.

On you! ha, ha. [tongues]

On you! [tongues]

You must yield to it and know it's the anointing.

And be bold to step forth and say, "This is what God is saying." Ha, ha.

And then the anointing that brings forth the prophet will come forth! Ha, ha.

But you must do your part.

And you must yield to that anointing.

And you must be BOLD!

You must be BOLD.

You must be BOLD. [tongues]

BOLD! [tongues]

BOLD [tongues] in the anointing.

And to move forth with that which God desires to do at this time,

Even in this place. Ha! [tongues]

For it is by the anointing. ha, ha.

And His given grace. Ha, ha. Hallelujah, glory to God.

tongues. [I just need you to come up here with me -- come up here with me].

We all need reinforcement, encouragement, he's mine. Ha, ha. And I don't know about you but I know what God has said to him. And as we pray, ha, ha, and as we speak forth the Word of God the anointing that is upon him is going to come forth. Ha, ha. Because we desire it. And it's not to pull for me, an individual but what God desires to say. What God desires to give to us for this time at this place. So yield yourself to the Holy Spirit and don't draw on the man but draw on the Holy Spirit!

So that He comes forth in fulness as the Father God desires.

Now that's just a little instruction but if you take heed it'll go a long way. Ha, ha. Now go ahead you're my father.

REV. HAGIN: [WORD FROM THE LORD]

Amen, Amen. Thank You Lord. Amen.

Eye has not seen.

Ear has not heard that which God has prepared for those that love Him.

That which is about to come to pass.

But if you'll be faithful you'll see it at last.
The joy of the Lord will be great.
The power of God will be in manifestation.
The Spirit of God will direct. Ha, ha, ha.
Your mouth will be filled with laughter.
Your tongue will be filled with singing.
The Presence of God will be an every day affair.
Not an occasional visit!
But an everyday affair.
And the joy of the Lord will reign supreme in your life. Amen.
The Spirit of SEEING.
And the Spirit of KNOWING shall in manifestation come in a greater measure
That you've seen heretofore.
Yes, it'll be in the measure in which you have seen it.
But then in a greater measure.
Multiplied, multiplied.
Men will see into the realm of the Spirit.
See the plan of God.
Know the purpose of God.
Walk with Him and His plan and His purpose shall be consummated.
These are the days of the manifestation of the Spirit in a measure that
you've not seen.
And so do not be afraid but simply yield to the Spirit.
And He will manifest Himself unto thee.
He will show you things to come.
And you will be glad.
For you'll be prepared for that which is to come.
Many are seeking.
Many are asking "What about the future?"
Well thus saith the Lord: "For the child of God the future is bright.
In the world it's dark!
And in the world is going to get darker yet!
There have been tragedies.
There'll be more tragedies.
But in the house of the Lord.
In the Kingdom of God.
There's protection, there's joy. Hallelujah.
And the future is bright!
And it's going to get better, and better, and better and better.
And the Lord will eventually come and call us home.
So what a day!
What an hour!
What an opportunity! Glory to God.
Marching with Him. Hallelujah.

Brother Keith come up here. I can be wrong but it seems like
He's given you a song here that's going to fit.

KEITH MOORE:

He turned my captivity. He gave new life to me; He turned my
captivity. How He set me free. He set me free indeed.

KEITH CLOSING OUR SERVICE WITH ALTAR CALL:

2/18/2002 PM bmb

The result of this ministry today and all we are and all we have come as a result of being led by the Spirit. Came as a result of praying in other tongues.

I noticed in recent times in praying in the Spirit, I keep saying -- every now and then some English words'll come out. He'll give the interpretation if you need it. But anyway, and every now and then comes out, "The plan, the plan." I don't know exactly what He's talking about.

You remember the Word of God said in First Corinthians 14:2
2 For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries.

(1 Corinthians 14:2, KJV).

1 CORINTHIANS 14:2

2 For he that speaketh in an unknown tongue speaketh not unto men, but unto God: for no man understandeth him; howbeit in the spirit he speaketh mysteries.

King James translation said, "Mysteries." Another translation said, "Divine secrets." Well the mystery part is not with God. Because He knows everything. But it's on our part. I don't know what He means by that. But I keep praying it out! Hallelujah. Keep praying it out! Amen.

I'm talking about being led by the Spirit. Praying, being led by the Spirit. that's really what it says there in Ephesians, instead of saying, "In the Spirit" it says, "Praying, be led by the Spirit." Hallelujah.

The PLAN! THE PLAN! THE PLAN! THE PLAN! I keep praying about THE PLAN! And I hear the Spirit saying on the inside of me right now.

The plan shall be made clear.

The plan shall come into full motivation.

The plan shall be fulfilled.

The Will of God shall be made known.

The hearts of men shall rejoice.

And the power of God shall be in manifestation.

=====

Hallelujah.

Yeah, we're nearing that place. Glory to God. thank God for the Word. Thank God for the Word. Thank God for the Holy Ghost. Amen. So say it again. "I am born of the Spirit. I am filled with the Spirit. I am Spirit taught. I am Spirit led." Hallelujah.

Keep confessing that until it becomes an absolute reality. Pshew!

Glory to God. Amen.

It shall come to pass.

It shall come to pass at last.
I have spoken on numerous occasions to several who are in this congregation.
And it has not come to pass.
And you shook your head and said, "I don't understand it.
I don't understand it. It's a mystery to me."
But understand this, pray it out in the Spirit.
And it will come to pass.
It shall come to pass.
It shall come to pass at last.
The glory of the Lord shall be seen.
The glory of the Lord shall not only be felt.
But the glory of the Lord shall be seen.
The glory shall be seen upon the faces of men.
The glory of God shall be seen as it's manifested in the congregation.
The glory of God shall be made manifest.
According to His plan. His purpose, and His Will.
So rejoice and be glad.
[oh yeah, praise God TONGUES]
I'll not say that right now. Best not to say that right now.
That's what the Holy Ghost said. Ha, ha, ha. Glory to God.
I don't know about you but I'm sure glad I came tonight. Praise His
holy Name. Hallelujah.

Some, some who stand here now.
The Spirit of God has spoken to you.
Has led you.
And you've ministered --
Or we could say, "operated" in a measure in that gift!
Or in some occasions two and even three gifts.
But you've drawn back!
Because things didn't seem to work the way you thought they should.
But now, saith the Lord of host, "Consecrate yourself unto My plan,
and to My will. Ha, ha, ha.
And there will be a renewal!
Not only will that particular gift or gifts.
Be manifested in the same measure in which it has.
But it shall be multiplied. Ha, ha. Glory to God.
The word of knowledge.
The word of knowledge.
The word of knowledge has operated in a measure.
Brother you right there. Ha, ha.
But that's only the beginning!
The end is not in sight. Ha, ha.
Rejoice and be glad.
Ye shall see and ye shall know. Praise God forever more.
For unto you will I show My purpose and My plan.
And you'll see it all.
And receive it with joy.

=====
glory to God. I'm talking to you Reggie. Praise God forevermore.
TONGUES HA. HA. HA. YEAH, YEAH TONGUES/INTERPRETATION:
Now some would say, I wish he would minister to me.

Yea, saith the Lord of host, you don't need anyone to minister to you.
You've already been spoken to.
You've already stepped over into that realm in a measure.
Now then put both feet in instead of just one.
And WALK in it! Amen.
Have faith to step into the realm of the supernatural.
And the supernatural shall be made manifest unto thee.
And shall become to you as natural as the natural.

Hallelujah. Glory to God. Amen, and Amen, and Amen.
We're moving up!
We're moving on!
We're moving out!
Ha, ha, ha. ha..
We're moving in! Praise God. [tongues]
Have you got anything any one of you folks? You got something Rich? Oh no
not Rich. Philip! Philip. Whatever.
PHILIP SLAUGHTER SINGING: [RS&B joins in]
It shall come to pass.
It shall come to pass.
What the Lord has said to me,
It will surely come to be.
Oh it will come to pass.

it. but anyway I heard it. To me it was audible. Way back in May of 1950.
"Go teach My people faith. I've taught you faith through My Word. I've
permitted you to go through certain experiences. You've learned faith both
through My Word and by experience, now go teach my people what I've taught
you."

And I've endeavored to do that. Thank God for the Holy Ghost. Don't
seek voices, seek God and if He sees fit to speak to you that way fine. If
He doesn't just go ahead and obey that inward witness. Hallelujah.

TONGUES/INTERPRETATION:

So close and yet so far away.
Just one step and moving into the realm of the supernatural.
But standing still will bring you no answer.
Yea, believe My Word, saith the Lord.
Act upon My Word.
Trust Me!

Let your confidence be in Me, saith the Lord.
And I will speak to you by My Spirit.
I will bring unto you revelation of the Word.
I will bring unto you guidance and direction for the future.
I will show you things to come.
And thy heart shall be glad.
And thou shalt be blessed!
And thy family shall be blessed!
And thy neighbor shall be blessed!
And everything that you set your hand to do will be blessed!
And you'll have much cause for rejoicing.

Hallelujah. Thank you Lord.

TONGUES/INTERPRETATION:

Some instead of taking a step forward have taken a step backwards.
And have backed away from the things of the Spirit.
"No, we don't want that.
We don't want that kind of move in our church."
Yea, when you grieve the Spirit then He'll not help you at all.
And you'll come to -- your life in disarray.
And the enemy will take advantage of you.
He'll hold high carnival in your body.
But yea, turning back to Me, saith the Lord.
With a true heart and with a whole heart, surrendering.
Thou shalt be blessed.
And the anointing shall come upon you anew and afresh.
And you'll go forward from this place with a fresh anointing.
And the Holy Ghost will commune with your spirit.
And your spirit'll pass that information on to your mind.
And that which has seemed to be difficult will become easy.
Flowing with the Spirit.
Walking with God.
Manifesting His gifts.
And so the glory shall come in a renewed manner.
And the power shall be in evidence.
And men's hearts shall be turned unto the Lord.

Thank You Father.

Some have said, "We don't want that. We don't need that."
Yes, you need everything that the Spirit has for you.
You are not the one that can say, "We don't need that."
Men's faith should not be in the wisdom of men.
But in the power of God.
In the power of God.
In the glory of God.
In the gifts of God.
Yeah! Right on the edge!
Right on the verge of entering into the greatest move
that the world has ever seen.

And yet many are drawing back.
No! don't draw back!
Step forward!
Say, "I'm one."
Put me down Lord.
Put me down!
I'm one to obey You.
I'm one to walk in the Spirit.
I'm one to maintain a Spirit filled life.
And so thou shalt be blessed.
Thy family shall be blessed.
Thy children shall be blessed.
And all that you minister to shall be blessed.

Thank You Lord.

Decisions, decisions, this is the night of decision.
Will we go forward with our own plans?
Will we go forward with the plans of men?
The plans of man.
Or will we go forward with the plan of God?
Will we seek His face?
Will we look to Him?
Get His mind.
Get His purpose.
And then pursue it with all of our being.
Or will we just stand still and say, "That's not for me.
I'll have no part nor lot in this matter."
And dry up.
Or will we go with the Lord?
Go with the Holy Ghost.
Go with the power of God.
Stir up the gift that's in thee.
Or will we sit idly by and let the enemy take charge?
Arise, and enter in!
For this is the day!
This is the hour!
This is the time!
The time of visitation.
A time of reviving.
A time of renewing!
And so there shall be a renewal of manifestations of the Spirit.
As you have seen in times past.
But then there shall be a extra manifestation.
In other words it'll be multiplied.
Multiplied.
Not only multiplied in manifestation but multiplied in results!
And your heart'll be glad. Ha, ha, ha.
And there'll be a song in your spirit.
And your mouth'll be filled with laughter.
And the joy of the Lord will be your strength.
And your health shall spring forth speedily.

Yeah! Hallelujah.
My health --

Everybody say it, [My health shall spring forth speedily]
Some of you right now if you just determine to follow God you'd find that
the physical symptoms will disappear right this very minute. Glory to God. I
said, "Glory to God." Hallelujah. Praise God, I'm healed!

I don't know about you but I'm healed. I'm whole! Glory to God.

TONGUES/INTERPRETATION:

Listen and you'll live!

Listen and you'll live!

Listen and you'll live!

Turn a deaf ear and Satan will take you in. [tongues]

Learn to flow with the Spirit.

Let Him have His way.

Not only in your life but in your services.

Be yielded to Him!

Have enough faith to step over into the realm of the supernatural.

And He will honor you!

And your words will come to pass.

Hallelujah. Thank God. I don't know about you I'm healed! Ha, ha Amen.

Obedience, obedience pays rich dividends.

Disobedience brings dismay and destruction.

I'm one that obeys! Ha, ha, ha.

My spirit rejoices.

My mouth's full of laughter.

The joy of the Lord's my strength.

I'm strong and not weak.

I'm healed and not sick. Ha, ha, ha.

glory to God. hallelujah.

Turning point I heard the Holy Ghost say, "Turning point."

I heard Him say, "This is the turning point.

This meeting shall be the turning point in the lives of many who are
present."

Which way are you going turn?

Walking in your own way?

Walking in your own plans?

Following your own pursuit?

Or are you going to turn whole heartedly unto Him?

Find out what His plan is.

Take time to wait on God.

Not just a few minutes, but even a few hours if necessary. Ha, ha.

And when you hear His Voice.

Then you'll rejoice and be glad.

Walking in the Spirit.

Walking in the light.

Walking in the glory.

Walking in health.

Walking where it's bright.

KEEP YOUR EYE ON ISRAEL AND THE PLAN!

More than once in the New Testament the Word of God said to pray with thanksgiving. We give Him thanks. We give Him thanks.

I don't know because praying in the Spirit, as the Word of God said, "No man understandeth, howbeit he speaketh mysteries. But I did find myself praying a certain way and then I heard the Spirit of God say to me:

Keep your eye on Israel.
Keep your eyes on that which has happened.
Keep your eyes on that which is happening.
Keep your eyes on that which is about to happen.
For you will see the plan of God shall be consummated.
And the Word of God shall come to pass.
That which has been spoken.
That which has been spoken by the prophets.
That which has been spoken in His Holy Word.
Shall surely come to pass.
And the work shall be done at last.
BUT keep your eyes on the Church.
Keep your eyes on Him.
Keep your eyes on His Plan.
On His Purpose.
And ye shall see it shall come to pass.
For there shall be an outpouring of His Spirit.
A manifestation of His glory.
And men's hearts shall be lifted up.
And the lives of many shall be changed.
And the joy of the Lord shall be your strength.
And so ye shall prosper.
For the hand of the Lord is upon you for good and not evil.
So rejoice.
Rejoice.
And again I say rejoice.

=====

Hallelujah that's what the Holy Ghost is saying. Praise God forevermore. Thank You Lord Jesus. That's what the Holy Ghost is saying.

We rejoice. We rejoice. we rejoice. we rejoice
And again I say. rejoice.

I heard the Spirit of God say further:

For the Church is about to enter into an area, a move of the Spirit

That has not been seen heretofore.
Many shall turn back and say, "This is not of the Lord."
But those whose hearts are right!
And those who are walking in fellowship with Him.
Shall rejoice and be glad.
And the hand of the Lord shall rest upon you.
And the glory of God shall be seen upon you.
And the work of God shall be consummated.
And the PLAN, the PLAN, the PLAN, the PLAN.
Pray that the PLAN and the PLAN shall be manifest.
And the PLAN shall be made clear.
And men shall walk in the light of the PLAN.
And the glory of God shall be upon man!
And the Presence of God will be felt among His people.
And the manifestation of the Lord shall be glorious in the land.

Thank You Lord.

So this is the day.
And this is the hour.
And this is the time.
Move on from glory to glory. Ha, ha, ha.
Stand in His Presence.
Fellowship with Him.
And He'll manifest Himself unto thee.
And He'll manifest Himself THROUGH thee.
And the glory of the Lord shall be seen upon thee.

Amen, thank You, we thank You. Well glory to God.
As you go turn and shake hands with your neighbor and say, "It's good but
it's going to get better." Thank You Lord Jesus. Bless His Holy Name
forever.

THE PLAN! praise God Amen.

CANTON, OH KENNETH E. HAGIN 6/23/2002 PM Sunday

No, you see if you want God's best you've gotta give Him your best. Amen. Praise God.

Now He said, "At that time you entered into the first phase of your ministry. When you left your last church." And that first phase of ministry, see, only was, at the time He was talking to me, about 18 months.

And so He said, "You were faithful in that first phase of ministry and did what I told you to do. But then here on the 19th day, 1950, He said, 'You entered into the 2nd phase of your ministry and you were unfaithful. You didn't do what I told you to do. You didn't tell the people what I told you to tell them.'"

Well I repented of it in a hurry!

"Now," He said, "at this time, at this time -- that means then, 2nd day of September 1950, at this time [I'm talking about the calling of God]. At this time you entered into the 3rd phase of your ministry. Now if you'll be as faithful in this 3rd phase of your ministry as you was in the 1st phase -- 2nd phase I wasn't as faithful as I should have been.

Then eventually you'll enter into the 4th phase of your ministry and I'll not say a lot about that right now. I'm forbidden to by the Holy Ghost. You know Paul -- Luke's the writer of the Acts. He was with Paul's company. They were in Asia Minor. Remember they assayed to go into Asia!

The scripture said, "They were forbidden by the Holy Ghost."

TONGUES/INTERPRETATION:

And so the end of all things is at hand.

And that which must be fulfilled must be fulfilled quickly.

So be sincere.

Be honest before Me, saith the Lord of hosts.

And let your heart dwell upon Me constantly.

And so I will speak to you and direct you.

And the will, and the purpose and the plan -- THE PLAN! THE PLAN!

THE PLAN OF GOD! shall be consummated.

No man shall be able to withstand.

No devil, or no demon will be able to stop that plan.

But that plan shall be unveiled.

It shall be revealed.

And there are many who sit here tonight who'll step into the plan.

And the glory of God shall shine forth as never before.

And the power of God shall be in manifestation.

And the will of God shall be consummated.

And the glory of God shall be revealed.

And the power of God shall be manifested in your midst.

And ye shall see.

And ye shall know.

And you shall be glad .

Thank You Lord Jesus. Hallelujah. Ha, ha, ha. ha. Glory to His Holy Name forevermore.

So, hallelujah. So, we'll emphasize, I'm called to teach faith. Sometimes He'll have you to teach something else.

By the direction of the Holy Ghost, we're going to talk about prayer for 2 mornings and then 4 mornings -- that will be then, Wednesday, Thursday, Friday and Saturday, we'll have a Faith Seminar. Hallelujah. And then every night as the Lord directs is healing night.

There'll be some nights we'll minister to everybody generally. But, we'll minister as the Lord directs. Praise God forevermore.

Oh yeah, oh yeah, yeah, yeah, yeah, ha, ha, thank You Lord. Some will not be ready.

Their minds are on worldly things.

They're more concerned about the natural than they are the spiritual.

They'll not be ready for the move of My Spirit, saith the Lord.

They'll not be prepared.

But you'll be prepared.

You who are open to the moving of My Spirit.

You who recognize and know My Spirit.

Ye who know and recognize the power and the move and the glory of God.

And ye shall be ready!

For your heart is right before Me.

No physical shortcomings.

No plans of man.

No human failures will be able to countermand

Or keep these things from coming.

They shall come to pass.

It shall come to pass.

It shall come to pass.

IT SHALL COME TO PASS!

IT SHALL COME TO PASS AT LAST!

And these are the times.

And these are the days.

And you're already in the edge of it.

But move on out.

MOVE ON IN!

DON'T STOP just in ankle deep water.

Come on in.

Come on out and swim! Ha, ha, ha.

And the goodness of the Lord shall be revealed unto you.

And the power of the Lord.

Rejoice, rejoice. and again I say rejoice.

Hallelujah. Thank You Lord Jesus. Praise God.

TONGUES. Thank You Lord, that's enough for tonight. Praise God. Hallelujah.

Brother Larry wind it up.

LARRY HUTTON: winding up the service.

But I had a little mini vision. I call it m-i-n-i vision.
Just before I -- done preached, just before I started ministering to the
sick, I saw her out of that chair dancing like a 16 year old girl. She
couldn't even get up and walk much less dance. Amen.

So I stepped down off of the platform, had my oil bottle,
and said to her, "Grandma, we're going to anoint you with oil. And this is
it!" See, sometimes sooner or later, you're going to have to come to the
place and say, "This is it! This is it!"

And I didn't tell her I saw anything. I just said, "It
wouldn't surprise me at all in 10 minutes you're not out of that chair
dancing like a 16 year old girl."

I anointed her with oil. Nothing happened. I started my
healing line. I'd ministered to about 5 people. Suddenly I heard a noise and
I looked over there and grandma jumped out of the chair and dancing like a
16 year!

And I mean that cancer completely disappeared. Thank God!
thank God!

Praise God.

PROPHETIC UTTERANCE:

And these things have been.

And it's good to remember what the Lord has done.

And what the Lord has said!

But know this that He is the same today as He was yesterday.

And He desires to do the same today.

And work the same way that He did yesterday.

For all of these worketh, that one and selfsame spirit.

Dividing to every man severally as He wills.

And so, we've come to this place.

We're on the verge.

Just on the outer outskirts, so to speak.

Of the greatest move of the Spirit of God that the WORLD has ever seen.

Ha, ha, ha, ha.

There will be those who will draw back and will not go in.

But there are those that are yielded to the Spirit.

There are those that are determined.

There are those that will not give up!

And will not quit!

And so they shall enter into the fulness of the Lord.

And the Lord shall manifest Himself

in every single way that He has ever manifested Himself.

There shall come a restoration of those things that you've SEEN,

That you've HEARD, that you KNOW!

But then after the restoration of those things.

There will come an ADDING UNTO!
And a MULTIPLICITY or a multiplied, those things
And those happenings shall be ADDED TO!
Shall be MULTIPLIED until it will almost become an every day affair,
so to speak.
And so there shall be must cause for rejoicing.
Be glad and rejoice.
Believe YE!
And SEE YE!

Praise God forevermore. Thank You Lord Jesus. Well we're endeavoring
to get you ready.

Rev. Hagin finds out what his Messenger and his Guardian angel's names are. [Michaelini Messenger - Micahnini Guardian]

WORD FROM THE LORD:

Now these psalms, hymns and spiritual songs are not something out of the songbook. Now first of all they didn't have any song books back there then, they had no printing. Notice that this is in connection with filled with the Spirit!

This is something that the Holy Ghost gives you by the inspiration of the Holy Ghost on the spur of the moment! Amen.

By the spirit of prophecy or tongues and interpretation. Because in this 14th chapter of First Corinthians Paul said, "Greater is he that prophesieth than he that speaketh with tongues except he interpret!

Saying that tongues and interpretation are equivalent to prophesy. And these psalms sometimes come in the form that you either sing or speak in other tongues and then interpret what you say. I do that very often. I notice in my own life in every great crisis - in the hardest tests, the thing that put me over - sometimes I've spoken in psalms all night. All night long!

Sometimes sing one or two of them in tongues and then sing it out in English. And it lifts me up, it blesses me. It helps me. It gives direction.

Now you'll notice if you'll go back to the Old Testament - we'll not take time to do that. But it'll tell you exactly the psalm that David had, when he got it, and what was happening - his life was in danger, Amen. They was after him to kill him. And then you read the psalm and you'll see what God's saying to him. Hallelujah.

Bringing him revelation, bringing him exhortation. Amen. Hallelujah, praise God. Then you notice in that 14th chapter of First Corinthians. Paul said to the church at Corinth, "How is it then brethren when ye are come together everyone of you hath a psalm?"

Now see this isn't something - somebody hears me says, "Well Brother Hagin's a preacher."

Well, you know the Bible wasn't written to preachers, it was written to all of us. Amen. And Paul didn't say, "When you're come together half of you has a psalm. said, "Everyone of you has got a psalm." Where did they get it? Back here in their private life when they was praying. Everyone of you has a psalm. Glory to God. Hath a revelation, hath an interpretation.

Very often the revelation came through the psalm - blessed be the Name of the Lord. Hallelujah. Glory to God.

Revelation! Now notice that first of all "...be filled with the Spirit -- but be being filled with the Spirit-speaking to yourselves in your own prayer life. Speaking to yourselves in psalms, and hymns and spiritual songs, singing and making melody in your heart to the Lord!

Now notice you're speaking to yourself and it edifies and builds you up, but you're also ministering to the Lord!

Then notice in Colossians 3:16 "Let the word of Christ dwell in you richly, in all wisdom." Now the Word of Christ doesn't always dwell in people with all wisdom. But you need the wisdom to go along with it.

Sorta like one church I pastored a couple of young boys got saved. One of them was 15, the other 16. Both of them turned out to be ordained ministers of the Gospel. God used them greatly!

But now at 15 and 16, they just got saved - way back in 1939. Well they'd been hunting. They had a 22 Rifle and they'd been out hunting. Didn't find anything or kill anything - rabbit hunting or something, you know?

And they was walking back down the railroad back home! And they ran into this black boy. And so they walked up to him and says, "Are you ready to die?"

Man! He thought they was gong to shoot him. What they meant was they was going to witness to him. Are you ready, you know, to die? Are you ready to go to heaven?

Man, he took off a running. Well their purpose was right but they didn't act in wisdom did they? Amen. The Word of Christ dwelt in them alright, but it wasn't in all wisdom! They laughed about it afterwards. They said, "We oughta had better sense than that."

But! So often that's the case! That the Word of Christ is not dwelling in folks with all wisdom. But when it is - now notice what he said, "Let the Word of Christ dwell in you in all wisdom, teaching [now notice] and admonishing one another." Teaching and admonishing one another! How? "in psalms, and hymns and spiritual songs. Singing with grace in your hearts to the Lord!"

Again it said, "You're singing to the Lord - with grace in your heart to the Lord." But at the same time you're teaching and admonishing others!

If they don't know and haven't heard. Then you're teaching them. If they have heart you're admonishing them to walk in the light of what they have heard. Amen.

Now here's an area that's almost unexplored in Pentecostal circles. And yet it's been there all the time waiting for us to respond to it. Some of us have in a measure. No one has in a full measure. But that's one thing that God wants to bring to our attention. And illustrate and demonstrate to us. Hallelujah! Glory to God.

Now, of course many of you have been used with tongues and interpretation, or may prophesying. But that's the way these psalms come. I deal with psalms. Others have songs, like Brother Keith for instance. But you just get the first word. Sometimes the first two or three words. Never over one sentence.

And you have to have faith. Amen. You have to have faith. And if you'll have faith to begin to speak then the rest of it'll come.

Glory to God. Do you understand what I'm saying to you?

But you see many people stop. They come, so to speak, to this place and they got this first word alright. But they don't have anything else and so they don't say it. But go ahead and yield to it. Praise God.

Now for instance I found rising up in my spirit these two words

TWO WORLDS

Two worlds,

Yes there are two worlds!

There's the world of the natural,

There's the world of the spiritual.

There's the world of the natural.

There's the world of the supernatural.

Man lives in both worlds.

It is just one step out of the natural into the supernatural.

So step out of the natural into the supernatural

and begin to speak with your mouth that which the Spirit reveals unto you.

And you'll find out that He'll Guide you into all Truth.

That He'll show you things to come.

That He'll minister to your spirit and buoy you up in faith!

So that you'll face the enemy and will not relent!

But will take your place and put him on the run.

For it is written. "Resist the devil and he'll flee from you."

If you'll resist him he'll always flee.

Well someone said. "I resisted and he didn't go!"

Well then the Scripture is a lie.

But No! God's Word is Truth!

Truth prevails! Amen.

So walk in the light of the Word.

And dwell in the realm of the supernatural.

Walk in the light of the revealed Word and further revelation will come.

And you'll see and you'll know that the blessings of God are yours.

And that which you need to you shall be shown.

And that which you see shall come to pass.

And so ere the manifestation of the Spirit in the greater

And most glorious manifestations of working of miracles,

of special faith. of gifts of healings ere -

and before they shall ever come to pass

you will find you'll have to enter in first to this realm!

For this is the entrance and the door into this realm of utterance!

And then! The spirit of seeing, the spirit of knowing

shall be made manifest.

Hallelujah, praise God. Let me switch back to the natural here for a minute.

You see your spirit is supernatural. Your mind and your flesh is natural. Amen. The supernatural never dies! There's no such thing as dead saints! No saint ever died. He just moved out of this natural habitat. Amen.

But you see - let me back up here just a minute - let me

jump back here. Jump out of the spirit and jump back into the mental here. In the Old Testament, you remember the prophet - first of all the prophet of God told the king, you know, the plans of the enemy. Told him right where they were. They want - you know. And so this king, he called his - well I'd call it his brain trust - all his men in and said, "Somebody's giving us away. Who's the traitor?"

They said, "No, there's a prophet of God over there - man of God that tells the king, you know, what you think even in your bedchamber.

And he said, "Well let's go get him then."

So they got him all - the city besieged where he is. And starvation set in. because they ate everything, all the food. And they despaired for life. And the prophet, you know, his servant, you know, he was discouraged and he despaired.

And the prophet said, "Lord, open his eyes." Now he's not talking about opening his physical eyes, because his physical eyes are open all the time! But you see you have spiritual eyes.

Now there in that first chapter of Psalms - or First chapter of Ephesians Paul, praying to the church at Ephesus said, "I cease not to give thanks for you. Making mention of you in my prayers. That the Father, of our Lord Jesus Christ, the God of glory may give unto you the spirit of revelation. Spirit of revelation and knowledge of Him. The eyes - King James said - The eyes of your understanding being enlightened..."

Another translation said, "The eyes of your spirit being enlightened." Then he went on to say, "that you may know" you know, "concerning the great plan of redemption" and all that. Amen.

But that's - he's not talking about when the prophet said concerning the servant, "Open his eyes." He's not talking about his physical eyes. Because he could see the army's got this city besieged. They've encircled. He could see all that in the natural. But he wants him to see into the supernatural. Hallelujah.

And so the Word of God tells us that when his eyes were open he saw chariots of fire! Angels of fire! All around about the city. Hallelujah. Praise God Amen.

And so the prophet said, "There's more that's with us than is with them!" ha, ha, ha. See, he's seeing into the spirit realm. He's seeing into this other world. Hallelujah. Amen. Too much of the time we just operate in this world! When we oughta be operating in the other world. Hallelujah. Amen. I said, "Amen."

Now then I'm going to get my tongue - just give me a moment here - hooked back up to my spirit. Ha, ha, ha. Hallelujah.

TONGUES INTERPRETATION:

And it shall come to pass that men shall KNOW!

And they shall SEE!

And they shall understand!

But by so doing they must TUNE their spirit.

TUNE into heaven.

TUNE into the glory world.

TUNE into the power and the ability and the revelation of the Father God.

And so it is so!

That then ye shall do the works that He intended that you should do.

The plan of God shall be consummated in these last days,

And the glory of God'll be revealed unto man.

The church shall be enhanced.
The saints shall be gladdened. Ha, ha, ha!
Sinners shall come the Lord.
The sick shall be healed!
The blessing shall be dispersed on every hand. Ha, ha, ha.
And the glory of the Lord shall be seen by man.
Thank You Lord Jesus. Praise God, Amen.

SEEING, seeing into the spirit realm.
SEEING into the realm of the spiritual.
Then KNOWING that there are not only angels but there are demons.
There are evil spirits all around about carrying on the work of their
master.
The angels waiting for you to tell them what to do.
The demons responding to their master Satan
And doing what he tells them to do
But you see you - we are the Body of Christ.
And Jesus is only the Head.
The Head cannot do anything without the body.
Why doesn't Jesus rebuke the devil?
Why does Jesus let the devil do these things?
He can't do anything about it.
Your head cannot do a single thing without your body!
All of the prerogatives of the head are carried out through the body.
He's waiting for you!

I saw two angels - tongues - ha, ha, yea, I pray that if it be His
will that your eyes will be opened. Because one of them came and stood right
here beside me. Hallelujah. And one came and stood on this side of me.
Hallelujah!
Glory to God!

And said - one of them's name - gave me his name, one of
them's name hallelujah, glory to God Michaelini Michael-Michael - lini. The
other's name is Micahnini. Micah! Micah! Micah -nini.

Michaelini - I said to him, "What is - who, who?" And he's
right there right now. What - what - who are you? What's your purpose? He
said, "I'm your MESSENGER angel."

I turned to Micahnini and said, "What's your purpose? He
said, "I'm your GUARDIAN angel. I'll always stay with you. Ha, ha, ha.
Ha....

Greater is Him that's with you than him that's with the
devil. Hallelujah.

Yeah, we're moving on.

We're moving up

We're going to move into a place of spirituality that we haven't been
before.

But the way you're going to get there is to learn to sing psalms. Commune
with God in your spirit. Hallelujah. And some of you sing hymns and
spiritual songs. Amen.

Now back to the angels.

TONGUES: Amen,

Messenger angel, what for? To carry out whatever you say.

Your message!

Well bless God, GO! Go! Go! Michaelini and cause the money to come.

And he said, "I'm working on it." Ha, ha, ha. Glory to God.
Hallelujah.

Or whatever the need may be. Blessed be God forevermore. Hallelujah.

And then the GUARDIAN angel's ever there, right there with you.
Right there with you.

I remembered then when they - they on Monday night appeared to me.
And I prayed nearly all night long in psalms and hymns. And God changed me
to go a different direction. I remember then something that Jesus said to me
way back in 1950, in Rockwall, Texas, in a tent meeting. On September 2,
1950.

"I separated you from your mother's womb. Satan tried to destroy
your life before you were born and many times since then. But My angels have
watched over you and cared for you until this day." Praise God.

I'm glad they haven't retired! Ha, ha. Amen. Hallelujah.
